### **NAME DROPPING**

\*Bobby Brown went to court Friday to seek custody of his and Whitney Houston's teenage daughter. Brown and his attorney asked Orange County Superior Court to dismiss a default judgment issued in December that granted Houston sole custody of 14-year-old Bobbi Kristina. Brown wasn't given enough time to respond to Houston's divorce filings, his attorney Stacy Phillips said: "He didn't have his day in court." Judge Claudia Silbar ordered Brown and Houston to argue their case at an Oct. 22 hearing before she decides who will get custody.
