Van Damme's wife cleans up

JEAN-CLAUDE VAN DAMME'S wife accused the martial arts star of clobbering her during their stormy, 4-year marriage. But once Darcy La Pier got him into divorce court, she hit him where it hurts — in the wallet!

The judge ordered the 37-year-old actor to cough up a whopping \$1.3 million a year in spousal and child support for Darcy, 31, and son Nicholas, 2, after GLOBE revealed Van Damme's dark side in our Dec. 9 issue. "It's one of the largest child-support orders ever," Darcy's lawyer Stacy Phillips tells GLOBE. "Darcy is thrilled."
